

PUBLIC LEDGER

MAYSVILLE, KY., SATURDAY, JANUARY 14, 1911.

ONE COPY—ONE CENT.

A MODERN YOUNGSTER.

Willie's lifting up his voice,
"Cause he's all alone,
None, except the neighbors,
Hears his mournful tone.

Father's at the ball game,
Many miles away;
Mother's studying high art
At the matinee.

Brother's playing football;
Sister has a tea;
The nurse is entertaining;
It's "her afternoon," you see.

Poor little Willie boy—
Could his fate be worse?
He only meets the ashman
When he wishes to converse!

Wouldn't you feel fretful,
With troubles of your own,
If this great world left you,
Like Willie, all alone?

\$7.50 \$12.75 \$19.50

FOR CASH ONLY!

These prices represent, respectively, Suits and Overcoats that sold from \$10 to \$12, from \$16.50 to \$18, from \$22.50 to \$28. It is just this way. After invoicing we find that unless we make big sacrifices we will carry over too many Suits and Overcoats, "and we are going to make these sacrifices." The sample garments that you will see in our clothing window at above-named prices are convincing proofs that we are going to have a "house-cleaning," regardless of profits or losses. We prefer to incur the latter to carrying them over. Every garment at the advertised prices are this season's.

In this sale will be included Young Men's Suits that sold for \$15 and \$16.50, at \$9.75. We have quite a big lot of Boy's Long Pants Suits, age 13 to 16, that are strictly all-wool. Many of them sold from \$9 to \$12. Owing to having too many you take your choice at \$5 a Suit. They will make splendid school suits.

SALE BEGINS THURSDAY, 12th.

Was it An Incendiary?

The alarm of fire this morning at 5:10 o'clock, sent in from District No. 15, proved to be the stable located on the lot in the rear of Lieutenant Governor Cox's residence. Chief Hite and his men were promptly on the ground and the blaze was soon extinguished with a probable loss of \$25. The fire apparently started from the outside, and from appearances the Fire Chief is rather of the opinion that it was incendiary in character. Further investigation will be made regarding the matter.

Chief Hite has asked the State Fire Marshal to make an investigation as to the cause of the fire.

Today's Chronicle

This is the time when wise women replenish their wardrobe at very little cost for this is the time when Suits and Dresses reach zero price at Hunt's. The stock is principally divided into two groups:

Suits at \$12½ for values up to \$22½.
Suits at \$18½ for values up to \$35.

Until you see what values are represented by \$12½ and \$18½ in our Suit Department you cannot appreciate the really wonderful bargains we are offering.

The Dresses are silk in black and a few colors. There are not many and prices have been snipped to the banishing point to close out the remainder.

On all reduced garments, Suits, Coats and Dresses, alterations are charged for.

Two Umbrellas

Business people who do not covet colds and grip keep one umbrella at home and one at the store, for to be surprised by a sudden rain without an umbrella is not only an unpleasant experience but a dangerous one. It is easy to own umbrellas for any emergency, to have umbrellas to loan and to lose (the former sometimes implies the latter) when you can buy here good gloria umbrellas with tasteful natural wood straight or loop handles for \$1, \$1.25, \$1½—umbrellas

that won't lose their sightliness in the first shower, nor in any number of rains.

Remnants

Still remnants enough for everybody. Dress, skirt and waist lengths at remnant prices. Trimmings, ribbons, laces, embroideries, table linen, ends of every sort find a place with the remnants at about half price.

Under-Price Dress Goods

You can rightly expect price concessions on dress goods at this season of course, but today we offer three values that are quite exceptional:

\$1 NOVELTIES 75c

Wistaria, brown and several shades of blue in stylish, subdued color blendings.

59c CREPE 39c

A soft sheer crepe cloth with beautiful silk luster, printed in a Persian pattern of blue or brown.

50c NOVELTIES 39c

A nub cheviot in gray, navy, green or brown ground with dots and dashes of contrasting color.

The so-called tobacco dumpers are now getting an opportunity to do all the dumping they want. It doesn't pay to dump like it did six months ago.

Civic pride has accomplished great things for many cities. Municipality after municipality grows and prospers accordingly as the civic pride grows stronger or more persistent. Better streets, a better street-car system, cheaper water rates and a number of other things which every city must have are the result, directly or indirectly, of civic pride. In Cincinnati there has been an increase of this civic pride during the past year, and nothing gives greater promise of the continued advancement of the city during the coming year than the existence of this same civic pride.—Cincinnati Commercial Tribune.

Now well the above article applies to all our cities, and especially to Maysville. Arouse the civic pride of a community and its future is assured. Maysville is sitting up and taking notice.

No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.

A WEAK WOMAN AND HER STORY

In Floral, Ark., Lives a Lady Who Feels That Her Strength Was Restored by Cardui.

Floral, Ark.—"I must speak a good word for Cardui," writes Mrs. Viola Baker, of this place.

"About a month ago I was in very bad health. I was so weak and nervous that I was not able to do my housework. My husband bought me one bottle of Cardui, the woman's tonic. I took it according to directions and now I am in good health."

"I think Cardui is a fine tonic for weak women."

And you are not the only lady who thinks so, Mrs. Baker.

Thousands, like you, have written to tell of the wonderful benefit Cardui has been to them.

Cardui contains no minerals, or other powerful drugs. It contains no glycerin or other mawkish-tasting ingredients.

It is just a pure, natural extract, of natural vegetable herbs, that have been found to regulate the womanly functions and strengthen the female system.

A Singular Anomaly

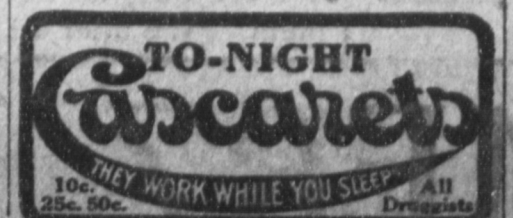

Birds singing in the tree tops and frogs croaking in the ponds in mid-winter is a singular anomaly that not often occurs, but the fact is recorded by a reputable person that on the morning of January 13th, 1911, such a phenomena actually did occur. Does it presage good fortune, war, pestilence or what not? Will the seers of the occult please rise up and explain and thus relieve the minds of those of superstitious tendencies?

Grateful and Happy

Dixie is a worthy colored man, and through the kindness of Mayor Lee and Chief of Police Harry A. Ort he was permitted to solicit aid on the streets of Maysville from the kindly disposed until he secured a sufficient sum to purchase an artificial limb. Now he can get around in a natural way, hence his gratefulness to those who contributed money and to the city officials.

Tobacco Growers, Think This Over

There has been considerable discussion in regard to prices ruling on the different tobacco markets in the State. We know that our market has, throughout the entire season, ruled from 2 to one cent a pound better than any other tobacco market in Kentucky. As an evidence of good faith, and to demonstrate our confidence in our statement, we propose and do hereby offer to pay in full the actual expenses of any three reputable farmers or dealers to make a trip to Lexington, or any other market, and then to report on their return to their friends and neighbors their impression as to the market, price and quality considered.

We also beg to call attention to the fact that while newspapers and others interested are reporting freely as to the alleged contemplation of cutting out the 1911 crop in Lexington and Central Kentucky, the same people are marketing their tobacco as rapidly as possible, as evidenced by the fact that the Lexington market, sold 2,300,000 pounds of loose tobacco last week and are selling daily from 600,000 to 850,000 pounds of loose tobacco.

We cannot help but feel that the farmers throughout this section are being taken advantage of and are being left "with the bag to hold," and we feel that the farmers throughout this territory are being grossly imposed upon. It is not our idea to attempt to convince anyone against his will, but we believe that a little thought at this time on the part of the farmer will convince him that it is to his best interest to market his tobacco as early as possible, as the farmers in Central Kentucky are doing, in winter order.

We suggest that you don't take our word, or the word of others, but come in and see our market.

MAYOR AND HIS CABINET

Co-Operation and Unity the Watchword—"Tis Sweet to Be Remembered"

Beginning of the New Year Mayor J. Wesley Lee addressed a circular letter to each member of Council, breathing good fellowship, as follows—

Dear Sir: The point that marks the passing of the period of one year of the present city administration has just passed. The endless advance of the old world is rapidly passing along.

Since old "Father Time" last turned his annual sand glass quite a few changes have been made in our little city "Under the Hills" on the beautiful river. We are glad to say that these changes have been made for the betterment and advancement of our city.

The credit for this advancement towards better conditions belongs equally to each member of the City Council, who, by his sound judgment and co-operation, succeeded in calling attention to the many needed changes.

Realizing that "a chain is only as strong as its weakest link," we believe that an earnest endeavor has been made to overcome these difficulties.

We thank you for the way you have attended to your duties. Also, for the manner in which you have taken hold of the interest manifested in all "things leading to the prosperity and advancement of our city. We look forward to the new year, confident that it will bring splendid results.

Wishing you prosperity and much happiness for the coming year, I am, very truly yours, J. WESLEY LEE, Mayor.

Major W. H. Accommodation for home. As the banquet hall was on the sixth floor, had he remained, he stood a chance of losing his life in the great fire which destroyed six lives and the structure.

Doan's Kidney Pills never fail you. Maysville people know this. Read this Maysville case. Read how Doan's stood the test For three years. It's local testimony and can be investigated: William H. Paul, 333 East Third street, Maysville, Ky., says:

"For two years I had pains in my back and other troubles, caused by disordered kidneys. When Doan's Kidney Pills were brought to my attention I began their use and they soon gave me relief. I cheerfully recommend this remedy as one that lives up to the claims made for it."

The above statement was given on December 13th, 1904, and on February 6th, 1905, Mr. Paul added:

"My opinion of Doan's Kidney Pills has not changed since I first recommended them. My cure has been permanent and I am now in good health."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

"Mr. Polk Miller delighted the audience with plantation stories, dialect recitations and Negro songs. His banjo-playing was a rare treat, and the great audience went wild with enthusiasm. Nobody ever saw a more delighted crowd than the smiling one of last evening. It elicited much applause when Dr. Davidson announced that Mr. Miller would appear again today."—Kentucky Chantiqua.

Constipation

"For over nine years I suffered with chronic constipation and during this time I had to take an injection of warm water once every 24 hours before I could have an action on my bowels. Happily I tried Cascarets, and today I am a well man. During the nine years before I used Cascarets I suffered untold misery with internal piles. Thanks to you, I am free from all that this morning. You can use this in behalf of suffering humanity." B. F. Fisher, Roanoke, Ill.

SPRINGDALE.

Mr. Carl Doyle and sister, Miss Edna, of Fleming county, are guests of their cousin, Mrs. Dogman, this week.

The Pleasant Hill Sunday-school has been adjourned 'til the first Sunday in April because of the prevalence of whooping-cough among the children.

Miss Bean dismissed school Wednesday because of the epidemic of whooping-cough, chicken-pox and a mysterious eruption among the children that looks like nettle rash.

The death of Mr. Edward Cobb at his home here last week verifies the truth of the prophecy "Three score years and ten shall thy days be." Mr. Cobb was 70 years of age, had never been ill a day in his life nor taken a dose of medicine from a physician 'til a few weeks ago he had a stroke of paralysis which developed heart weakness that caused his death Friday, January 6th. Mr. Cobb was of a quiet, retiring disposition and ever seemed haunted by the memory of the great tragedy that clouded his young life, when his two brothers were murdered in their beds by one Charles Collins more than forty years ago. Though quiet and reserved in his intercourse with others, his interest, sympathy and helpfulness responded quickly to the call of need. His wife preceded him to the Great Beyond many years ago. During his early life he united with the Church of Christ at Maysville and was immersed by Elder Henry Taylor during his Pastorate there, and the faith then expressed remained with him to the end. He leaves five children, all grown, some of them married, all of them honored and respected. The funeral services at Bethany conducted by Elder T. P. Dagman were largely attended.

Gage marks 18.0 and rising.

The Tacoma will pass up tonight for Charles.

Heavy rains in the Upper Ohio Valley have caused a rise in the river and another big shipment of coal is coming, in all 915,000 bushels of coal, loaded in 61 barges.

Commodore F. A. Laidley of the Louisville and Cincinnati Packet Company contracted with Captain John Lyons of Higginsport, Ohio, for the building of a wharfbarge, 300 feet long and 80 feet wide, to take the place of the Cincinnati wharfbarge at the foot of Sycamore street.

WORRY AND HURRY

are the two greatest foes to digestion—and very few people reach the age of forty without falling a victim to indigestion in some form or other.

Undigested food is a serious menace to health and is the cause of headaches, sleeplessness, flatulency, gas and distress in the stomach, despondency, nervousness, bad breath and impure blood.

In such cases Vinol has a marked beneficial result. It seems to go directly to the seat of trouble, strengthens and tones up the tired, weakened nerves of the stomach, enabling one to digest with ease the very foods that once caused distress.

A case has just come to our attention in Barre, Vt. Mr. Samuel Wheeler suffered with a stomach trouble for years and had taken all kinds of medicines without relief, and at last found a cure in Vinol. He says Vinol was worth five dollars a bottle to him. (We guarantee this testimonial to be genuine.)

If you suffer from any form of stomach trouble, try a bottle of Vinol with the understanding that your money will be returned if it does not help you. John C. Pecor, Druggist, Maysville, Ky.
